

**Features:**

- Dual compartment unit
- Twin interior automatic lighting
- Dimpled stainless steel finish
- Independent digitally controlled zones
- Rubber grip spring-loaded handles
- Stainless-Steel spring-loaded lid latches
- Automatic 12 or 24V DC operation
- AC/DC Inverter for easy set up
- 3 Stage voltage protection system
- Live voltage value readout
- Built-in delay protection system
- 3 Baskets for food organization
- Easy to clean aluminum interior
- Removable gaskets and drains for cleaning

**MSRP \$999**  
*2-Year Limited Warranty*

**Portable DC Refrigeration**

*Alternative to Propane Refrigeration*

Since 1999, SunDanzer Refrigeration has designed and assembled solar refrigerators in the United States. These portable SD-Series coolers are the perfect choice for those trying to bring the luxury of refrigeration with them wherever they go. SunDanzer’s coolers provide outstanding reliability with an integrated fixed delay protection system, adjustable voltage protection systems, and a smart microprocessor that displays error codes if necessary. This technology allows for the convenience of safe reliable refrigeration in remote areas where previously this was unavailable or too costly.

**Applications:**

- Overlanding
- Camping
- Tailgating
- Hunting & fishing
- Farms & ranches
- Catering
- Cabins & tiny homes
- Missionary homes

**Specifications:**

Total Volume	2.4 ft <sup>3</sup> [68 L]
Gross Capacity	L: 40L/ R: 28L
Temperature Range	-7°F to 59° F
Ambient Range	50°F to 109° F
Power (Typical)	52W
Current (Typical)	4.3A (12V)
Input Voltage	12 or 24 VDC
Refrigerant	R134a
Climate Class	SN, N, ST, T
Dimensions (LWH)	33.2 x 19.5 x 21.4 in.
Net Weight	69.44lb [31.5 kg]
